Acting Director
Environmental Restoration Division
DOE, RFO

RESPONSE TO MAY 27, 1993, LETTER FROM COLORADO DEPARTMENT OF HEALTH
(ATTACHED) - RLB-285-93

EG&G Rocky Flats, Inc has reviewed the modifications to the Interagency Agreement (IAG) regarding transfers of Individual Hazardous Substance Sites (IHSSs) 167 2 and 167 3 from Operable Unit No 6 (OU 6) to OU 7, IHSS 196 from OU 16 to OU 5, and IHSS 197 from OU 16 to OU 13. Analysis of these action indicates that no impacts have occurred to scope or schedule for the following reasons

- 1 IHSS 167 2 and 167 3 were moved into the OU 7 boundaries via the quarterly update of the Historical Release Report (HRR). The new locations correspond to areas already sampled by OU 7 staff for the potential contaminants of concern
- 2 IHSS 196 lies within the boundaries of IHSS 115, which is already being assessed by the OU 5 investigation
- 3 IHSS 197 was previously transferred, via the Agency review, into the OU 13 Work Plan and has been budgeted

EG&G finds these IAG modifications acceptable. Please feel free to contact Tim P. O'Rourke of my staff at 966-8577 if you have any issues or concerns.
